

# CAREER AFTERNOON

Looking to grow your career?  
Get a new job?  
Find the best career fit for you?

## Who

The CMB faculty and industry professionals

## What

The CMB Master course organises a career afternoon open to all the master students

## How

Career talks are presentations hosted by industry and academy professionals to help graduate students with career development and upcoming interviews.

## Opportunity

The career afternoon is an excellent way to connect with employers to learn about jobs and opportunities
